### **HOUSING IN DEKALB**

The Housing Authority of the County of DeKalb and City of DeKalb are partnering to identify barriers to fair housing. A survey is available to all residents of DeKalb County to share any experiences they may have had with fair housing issues. The City and Housing Authority will use this information to formulate action plans to address the barriers identified by the survey.

The survey is available in both Spanish and English. Links are available on the City's website and social media platforms.

For the English survey go to the following link:
