Waiting List Preferences

Please print neatly in black or blue ink. PLEASE READ CAREFULLY

HACD utilizes local preferences, which order the placement of applicants on our Housing Choice Voucher and the Low Income Public Housing Program waiting lists. Families who qualify for the most preferences are considered first when units or vouchers are available. Therefore, families on our waiting lists are in ascending order according to the number of preferences verified and the date and time of their application.

NOTE: Due to the use of preferences, the order of applicants on the waiting list is subject to change. Please ask for assistance with any questions.

Applications are placed on the waiting lists by total number of preferences then date and time of application.

Please read each item in its entirety to ensure you are correctly claiming all preferences you qualify for! Any preferences claimed will be verified when your name reaches the top of the waiting list.
