# WELCOME

---

We are happy you have chosen the Housing Authority of the County of DeKalb as your place of employment. We are glad to have you with us and hope that you will find this a pleasant place to work.

This Employee Handbook is provided as a source of information on Authority expectations, employment philosophies, and likely administrative actions. This manual of employment does not constitute a contract, nor does it contain any provisions that are to be construed as contractual.

We know that our major asset is people and that a general personnel manual cannot anticipate every human problem or need that may arise. Therefore, if you have a special problem, concern, or idea, are troubled or have a need, please tell us. As we continue to grow, as circumstances change, and as applicable laws are enacted or amended from time to time, the need may arise to change policies described in the manual. The Authority therefore reserves the right to revise, supplement, or rescind without notice any policies or portions of the manual from time to time as it deems appropriate or as may be necessary to comply with changing laws, in its sole and absolute discretion.

We appreciate your efforts and the good work you are doing each day to make the Authority a success. We look forward to a mutually satisfactory relationship with you.

Again, may we extend a sincere,

WELCOME.

Executive Director

# ARTICLE I - THIS MANUAL

---

## PURPOSE, AMENDMENT, AND EMPLOYMENT AT-WILL

This manual is intended as a general guideline for current Authority policies. Every employee is expected to read, understand, and follow the provisions of the manual and will be held responsible for knowing its contents. The Authority reserves the right to change these guidelines, its policies, and this manual at any time without notice.

**Nothing of this manual is intended or should be construed as an agreement and/or a contract of employment, express or implied. All employees of the authority are at-will, and no officer, supervisor, or other employee of the authority has the authority to alter, orally or in writing, the terminable-at-will status of any employment. It is expressly understood that any employee and the authority are free to terminate the employment relationship at any time. The authority reserves the right, at all times, to take any action deemed to be in its best interests.**

We will make reasonable efforts to keep the employee informed of all changes as soon as practical. However, occasionally changes must be made immediately to meet unforeseen circumstances. This Policy will be available in hardcopy at the Central Office and on [www.dekcohousing.com](http://www.dekcohousing.com).

# ARTICLE II - GENERAL INFORMATION

---

## EQUAL EMPLOYMENT OPPORTUNITY

The Authority is an equal opportunity employer. The Authority does not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, ancestry, citizenship, age, and marital status, and religion, unfavorable discharge from military service, sexual orientation, or mental or physical disability.

The Authority will make a reasonable accommodation as required by law for qualified individuals with a disability upon request unless doing so would result in an undue hardship to the organization or a direct threat to the employee, co-worker or the population we serve.

This policy governs all aspects of compensation and all other terms and conditions of employment. Equal employment opportunity shall apply to all personnel actions including, but not limited to, recruitment, hiring, promotion, demotion, transfer, or termination.

## SEXUAL HARASSMENT PROHIBITED

### *General Policy*

The Authority is committed to maintaining a workplace free from sexual harassment. Sexual harassment is a violation of Title VII of the Civil Rights Act of 1964, as well as state discrimination laws. The Authority will not tolerate such misconduct as it is capable of causing great damage to individual employees and to the Authority's employment climate.

This policy applies to protect all employees and other persons visiting our premises. Sexual harassment is prohibited. Retaliation against individuals filing complaints under this policy will not be tolerated. **Employees who report sexual harassment are protected under all applicable whistleblower statutes, including, but not limited to, Illinois P.A. 100-0554, the Whistleblower Act and the Illinois Human Rights Act.** Employees who violate this policy will be subject to discipline, including possible discharge. Other persons who violate this policy will be subject to expulsion from the Authority's premises. Any supervisor or manager who receives a complaint and does not act upon it under the procedures of this policy will also be subject to discipline, including possible discharge, and any employee who knowingly or maliciously files a false report of sexual harassment will be subject to discipline, including possible discharge. Refer to Appendix A, Code of Ethics.

## *Definitions*

Sexual harassment is unwelcome sexual advances, requests for sexual favors or verbal conduct or physical contact of a sexual nature when:

- Submission to such conduct is either implied or stated to be a term or condition of employment or a factor in evaluating the individual's job performance, eligibility for promotion, eligibility for an increase in compensation or any other component of employment; or
- Such conduct interferes either directly or indirectly with an individual's work performance by creating a hostile, offensive or intimidating environment.

Sexual harassment includes but is not limited to:

- Unwelcome social advances such as repeated uninvited requests for social dates, dinners or any other non-business-related activity where the invitee has indicated that she/he is not willing to accept such invitations.
- Verbal harassment such as sexual innuendo, demands or requests for sexual favors, comments or jokes of a sexually vulgar nature, including threats or slurs, remarks about an individual's physical anatomy, derogatory comments about gender or sexually explicit telephone calls.
- Physical harassment such as sexual advances, touching (or the threat to touch) in a sexual manner, physical interference with normal work or movement, or otherwise invading the personal privacy of employees inside or outside the workplace.
- Distribution or display of written or graphic sexual material such as sexually oriented magazines or posters, nude pictures or sexually explicit writing of any kind.

Occasional compliments of a socially acceptable manner or statements or acts that are acceptable to all elements of society are not sexual harassment.

## *Procedure*

Any individual who feels sexually harassed by a supervisor, manager, co-worker, subordinate or other person should take the following course of action:

1. Tell the offending individual(s) to stop the harassment. State employee's objection to the action and the specific behavior to which employee objects. If this discussion does not resolve the problem or if employee fears reprisal will result from such discussion, or if employee feels uncomfortable confronting the harassing individual, proceed to step 2.
2. Inform employee's supervisor of the situation, or if it is the supervisor who is the harasser or if employee feels uncomfortable telling employee's supervisor, inform another supervisor or management employee with whom you feel comfortable or inform the Executive Director. If the Executive Director is the harasser, then inform the Authority Board of Commissioners. **The employee may also report the incident to the Inspector General and the Illinois Department of Human Rights.**

3. All complaints received by anyone in management will be directed to the Executive Director or in the case of harassment by the Director then to the Board of Commissioners, for investigation unless the complaining employee specifically requests otherwise. During the course of the investigation, the complaining employee's identity, as far as possible, will be withheld from all involved parties. The Authority will attempt to do the utmost to protect the privacy of the complaining employee and to protect the integrity of any individual who may have been wrongfully accused of sexual harassment.
4. The investigation will be thorough and should be completed within 10 days. Investigation findings and any recommended discipline will be presented to the harassing employee's immediate supervisor. As soon as possible thereafter, the harassing employee will be told what discipline will result.
5. Only the complaining employee and the accused harasser will be told of the final disposition of the complaint.
6. If the accused harasser is not an employee of the Authority, upon completion of an investigation which indicates that harassment did occur, the Authority will take appropriate remedial action. Possible remedial steps range from letters of objection to the accused harasser to refusal to allow the alleged harasser on Authority premises.

**Probationary Period** - The first 90 days of an employee’s employment shall be a probationary period during which the Authority will continually evaluate a new employee’s job abilities and performance. During any probationary period, the employee will be entitled only to the following regular benefits: pay for hours worked; holiday pay as stated in this manual; and, for employees who will be classified as full-time or part-time if retained after the probationary period and are otherwise eligible under the terms of this manual and the health plan, health benefits. The Executive Director may extend the probationary period for an additional period or additional periods of 90 days each.

All employees who have completed their probationary period(s) will receive a formal evaluation. Employees who are retained after completion of probationary periods(s) are classified as either full-time, part-time, or temporary employees, provided, however, that:

**The authority and each employee maintains the right to sever the employment relationship at any time for any reason, with or without notice, and neither these provisions on probationary status, the classification of an employee as full-time, part-time, or temporary, or any other provisions of**

**this manual should ever be interpreted as altering the employment-at-will relationship between the authority and every employee.**

**Full-time** - Full-time employees are employees who are regularly scheduled to work thirty (30) or more hours in the work week and whose position is specifically listed in the position list set out in this manual. Classification as “Full-time” does not guarantee employment for a fixed number of hours per day or days per week.

**Part-time** - Part-time employees are employees who are regularly scheduled to work no more than twenty nine (29) hours in the work week and whose position is specifically listed in the position list set out in this manual. Part-time employees cannot work more than 718 hours during any consecutive 13 pay periods. (retirement plan eligibility restriction).

**Temporary** - Temporary employees may be regularly scheduled to work any combination of full- or part-time hours in the work week, but temporary employees are hired only to fulfill periodic needs of the Authority. Temporary employees cannot work more than 1508 hours in a fiscal year and are only entitled to pay for hours worked.

**Benefits** - Full-time, part-time and temporary employees are entitled to the benefits generally described in the table set out below in this section, subject to the more specific benefit terms and eligibility requirements set out elsewhere in this manual and in the terms of the plan of any third-party benefit provider.

# ARTICLE III - EMPLOYEE BENEFITS & PRIVILEGES

---

## PERFORMANCE EVALUATIONS AND MERIT INCREASES

As previously stated in this manual, all employees receive their first formal performance evaluation at the end of their probationary period(s). Thereafter, formal performance evaluations will occur on mid-year and annual basis.

Performance ratings shall be noted in employee service records and shall be considered in affecting personnel actions. Adjustments in wages or salary will be considered after each performance evaluation, transfer, promotion or demotion.

At the Executive Directors discretion, through Department Head recommendations and within the approved current fiscal year budgeted amount, a monetary bonus maybe awarded to a selected employee(s) who has contributed in an exceptional manner by a specific action or event to improve the operation of the Authority.

Employees transferring from one department and/or one position to another will be evaluated after three (3) months. Whether such transfers are to be accompanied by an increase in pay is subject to the discretion of the Executive Director.

## SERVICE RECORDS

The Authority shall maintain employee service records at the main office. Those records will include the following items:

- Job Applications
- Date of employment and termination
- Job description
- Employee evaluations
- Absentee record
- Sick leave record
- Paid Time Off accumulation
- Pay changes
- Miscellaneous

## OVERTIME COMPENSATION

Compensation for overtime shall be paid in accordance with applicable federal and state law and provisions of the HUD assistance contracts.

All overtime must be approved by a manager and reason for overtime noted on time card.  
Overtime is paid for all hours physically worked in excess of forty (40) hours per week.

Overtime work shall be avoided but may be required in the interest of efficient operation. The non-exempt employee shall be paid overtime at the rate of 1 ½ times their regular hourly rate for hours worked in excess of forty (40) hours. The non-exempt employee must physically work 40 hours to be compensated at the over-time rate for any hours above the forty (40) worked hours. If PTO is taken in the 40 hour time period the overtime rate will not be paid. Time will be paid at the regular wage. For Example,

In this scenario - 48 hours on the time card. 8 hours <b>will not</b> be paid at overtime. It will be paid at the regular rate.				
Monday 10 hours worked	Tuesday 10 hours worked	Wednesday out sick - 8 hours of PTO	Thursday 10 hours worked	Friday 10 hours worked
In this scenario – 50 hours on the time card. 10 hours <b>will be</b> paid at the over time rate.				
Monday 10 hours worked	Tuesday 10 hours worked	Wednesday 10 hours worked	Thursday 10 hours worked	Friday 10 hours worked

If the non-exempt employee works on a holiday, they will be paid at the rate of 1 ½ times their regular hourly rate. If the non-exempt employee works over-time during a holiday week, but not on the holiday, they will be paid at the rate of 1 ½ times their regular hourly rate provided PTO was not also taken the same week.

Exempt employees shall not be compensated or granted compensatory time off for overtime worked.

## HOLIDAY PAY

The Authority observes the following holidays, consistent with local community practice:

New Year’s Day	Labor Day
Martin Luther King Day	Columbus Day
President’s Day	Veteran’s Day
Memorial Day	Thanksgiving Day
Juneteenth	Day after Thanksgiving
Independence Day	Christmas Day

All full-time and part-time employees will be paid for the listed holidays at their regular rate of pay, but due to the nature of the Authority’s services, it reserves the right to require

any employee to work the holidays, and in such event the non-exempt employee will be compensated accordingly.

An employee who wishes to observe religious or ethnic holidays other than those designated above may do so by notifying the Executive Director in writing, at least two weeks prior to such holiday. Late notices may be accepted in certain circumstances in the Executive Director's discretion, but may be rejected. Employees may use PTO for such holiday observance, or, alternatively, employees who have no accrued and unused PTO days available will be granted an unpaid absence for this purpose if the holiday absence is approved.

## **PAID TIME OFF (PTO)**

Paid Time Off (PTO) is used for rest, relaxation, and occasional illness. It is designed to provide employees with flexibility to use their time off to meet their own personal and family needs, while recognizing individual responsibility to manage their own paid time off.

Eligible employees will accumulate a specified amount of PTO based on their accrual rate. It is up to each employee to allocate how they will use it – for vacation, occasional illness for yourself and your family members, caring for dependents, school activities, and medical/dental appointments for yourself and your family members, additional bereavement leave needed, personal business or emergencies. The amount of PTO earned is dependent on the employee's length of service with the Authority.

### *Eligibility*

Full and part-time employees are eligible to accrue PTO, unless otherwise notified. Interns, seasonal and temporary employees are not eligible to earn PTO. PTO will begin accruing on the date of employment. Eligible employees must complete the 90-day probation period to be eligible to use accrued PTO.

- PTO accrues on hours worked and paid PTO hours only.
- PTO does not accrue on hours worked above 80 hours in a bi-weekly pay period.
- Employees may carry over 40 PTO hours into the next fiscal year.
- HACD does not allow employees to sell, donate or purchase PTO.
- HACD must maintain adequate staffing coverage. The use of PTO shall be up to the discretion of the employee's manager.
- Excessive use of unscheduled PTO or a pattern of absenteeism may result in disciplinary action.
- To maintain a balance between PTO requests and meeting staffing needs, usual work schedules may be altered to provide coverage.
- HACD reserves the right to limit or postpone the use of PTO.
- Non-exempt staff may use PTO in a minimum of one-hour increments.
- Advanced use of PTO hours that have not yet accrued is not permitted.

- PTO benefits do not accrue while on a leave of absence, short or long-term disability, or while receiving workers compensation benefits.
- If an employee has been approved for “restricted light duty” by their doctor, a note detailing the duty restrictions must be provided by the doctor. The restrictions will be reviewed by the HR department and a work plan will be created to comply with the light duty restrictions. The HR department and employee will review the work plan and the plan will be signed by the employee noting their understanding. A doctor’s release is required before the employee may return to their normal work duties.

All benefit eligible employees shall accrue PTO according to the following:

<b>Years of Service</b>	<b>Accrual rate per Hour</b>	<b>Annual PTO accrual</b>
0-4	.0654	136 hrs/17 days
5-8	.0846	176 hrs/22 days
9-14	.1038	216 hrs/27 days
15+	.1192	248 hrs/31 days

## **SHORT TERM DISABILITY (STD)**

For any accident or illness that exceeds 7 scheduled working days, the employee will transition to a paid short-term disability (STD) policy (to begin on the 8<sup>th</sup> day).

Employee’s can use PTO during the 7-day waiting period. The STD policy will provide 12 weeks of 60% gross pay benefit to an employee who works 25 hours per week.

Eligibility for STD begins on the first of the month following 30 days of employment.

Application for STD must be made through the Finance Department. If an illness causes an employee to be absent in excess of 5 scheduled work days, a doctor’s release is required before the employee may return to work. PTO may be utilized instead of STD, at the employee’s option by submitting an attendance adjustment form to your manager.

## **COURT LEAVE**

**Summons** - A summons or subpoena must be legally served and may be for serving as a witness or for jury duty. All employees when actually summoned shall immediately inform the Executive Director.

**Reimbursement** - The pay of any employee who has received a subpoena for jury duty or as a witness will continue at the regular rate. All reimbursement received by the employee for time required to perform jury duty or to testify as a witness shall be turned over to the Authority to be credited against regular salary. Payment by the Court to the employee for travel expenses at the prevailing rate may be retained by the employee.

## **BEREAVEMENT LEAVE**

If there is a death in the immediate family of either a full-time employee or part-time employee then a paid leave of absence not to exceed three (3) days will be granted, as required by the individual circumstances after notification to the employee's Department Head or to the Executive Director. "Immediate family" includes an employee's spouse, parent, grandparent, stepparent, brother, sister, stepbrother or sister, children, stepchildren, mother-in-law, father-in-law, brother-in-law, sister-in-law. If additional bereavement leave is needed, prior approval must be obtained from the Executive Director. If extended time off is desired, an unpaid personal leave of absence must be obtained.

For part-time employee's, bereavement leave of absence pay will be calculated based on four (4) hours daily pay. Temporary employees and employees who are in the initial evaluation period are not eligible for bereavement benefits, but may be granted unpaid time off for this purpose upon request in accordance with these procedures, at the Executive Director's discretion.

## **FAMILY AND MEDICAL LEAVE**

The Authority will comply with the Family and Medical Leave Act of 1993 and the Uniformed Services Employment and Reemployment Rights Act of 1994. Specific regulations of the Family and Medical Leave Act and Uniformed Services Employment and Reemployment Act are available for review by contacting the Executive Director.

**NOTE:** All accrued PTO must be taken by the employee before the employee can qualify for FMLA leave.

## **OTHER UNPAID LEAVES OF ABSENCE**

Situations beyond control sometimes interrupt regular work attendance. Where the needs of the Authority permit, the Authority will consider requests for unpaid personal leaves of absence for full-time and part-time employees who have worked continuously at least six (6) months prior to the requested leave.

Any eligible employee who desires to take a personal leave of absence from work must first obtain permission for a personal leave of absence. All requests for personal leaves shall be submitted in writing to the Executive Director. Whenever possible, requests shall be made at least thirty (30) days prior to the leave of absence. Based on discussion with your Department Head, the Executive Director shall grant or deny the request. The Executive Director shall notify you of this decision and if the leave of absence is granted.

No person has the authority to guarantee an employee's position with the Authority. Employees granted personal leave continue to be at-will employees whose employment with the Authority may be terminated at any time. An employee ready to return from approved personal leave will be considered generally eligible for the same or comparable position held prior to the leave, but whether the employee is returned to any employment with the Authority is at the discretion of the Executive Director, in the case of the Executive Director at the discretion of the Authority's Board of Commissioners. The needs of the Authority, the length of the leave and the prior performance of the employee ready to return from approved leave will be included in consideration of whether to return or separate an employee following approved leave.

Unless expressly stated in writing, signed by the Executive Director, employee benefits (e.g., vacation, paid sick days) will not accrue to an employee on a personal leave of absence. If an employee's position is available after a leave of absence or the employee is offered a comparable position, the employee's failure to return to work on the day specified will be construed to be a voluntary resignation by the employee. Prior to returning from a leave of absence involving medical incapacity, an employee may be required to submit to the Executive Director a medical report from his/her physician certifying that he/she is able to resume his/her regular job responsibilities.

An employee who takes a leave of absence of more than thirty (30) days will have his/her anniversary date adjusted to a date commensurate with the length of the leave (i.e., an employee who takes a thirty-one (31) day leave of absence will have his/her anniversary date reset to a date thirty-one (31) days later.)

The employee's employment with another employer while on leave of absence will automatically constitute a voluntary resignation.

## **HEALTH BENEFITS PLAN**

All full-time employees, excluding temporary workers, working at least thirty (30) hours per week are eligible to participate in the Authority's health insurance plan, subject to the particular terms of the plan. Full-time employees will be eligible on the first of the month following 30 days of employment.

An employee eligible for the health benefits plan wishing not to participate will be required to sign a waiver. The Authority reserves the right to choose the plan and insurer and to change

plans and/or insurers without advanced notice, regardless of resulting changes to deductibles, co-payments and other terms of coverage. The Authority also reserves the right to change the premium percent paid by the employee for their individual coverage without advance notice.

## **RETIREMENT PLAN**

All full-time employees, excluding temporary workers, working at least thirty (30) or more hours a week are eligible to participate in the Authority's retirement plan, subject to the particular terms of the plan. Full-time employees will be eligible for the retirement plan on the first of the month following 6 months of employment. The Authority reserves the right to choose the plan and provider and to change plans and/or providers without advanced notice, regardless of resulting changes to plan terms or offerings.

## **ORGANIZATIONS AND AFFILIATIONS**

Expenditures for membership dues and fees in organizations will be considered eligible for payment by the Authority if:

- The organization furnishes technical or professional information, training, workshops, or other services beneficial to federally sponsored public housing and urban renewal activities.
- The membership is specifically authorized by official action of the Authority's Board Commissioners or the Executive Director.

## **SECURITY INSPECTIONS**

The Authority reserves the right to inspect any locker, desk, or other area used by any employee at any time, including articles within such areas. Employees who fail to cooperate with such an investigation may be subject to disciplinary action, including discharge.

# ARTICLE IV - EMPLOYEE RESPONSIBILITIES

---

## EMPLOYEE RESPONSIBILITIES, GENERALLY

All employees are expected to observe the Authority's policies and procedures and to perform their assigned duties in a satisfactory manner. Such observance would include, but not be limited to: work as scheduled, being at your place of work during working hours, following the instructions of your Department Head, and, obeying safety regulations and other policies and practices of the Authority. Refer to Appendix C HACD Employee Expectations.

## RULES AND REGULATIONS

**Purpose:** To achieve its objectives in an orderly, efficient and safe manner, to facilitate cooperation between employees, and to assure that the rights and interests of employees and the Authority are maintained, the Authority must have and enforce certain written and unwritten rules and procedures regarding the conduct of its employees. It is essential to the successful operation of the Authority's business and the welfare of its residents and employees that discipline, health, safety, attendance, workmanship and honesty be maintained. Disregard or violation of these rules and regulations, inability or unwillingness to meet established standards or unauthorized disclosure of confidential Authority or resident matters will subject an employee to discipline in the Executive Director's discretion. The Authority's Board of Commissioners are responsible for all disciplinary actions that involve the Executive Director.

**Forms of Discipline:** Potential forms of discipline include: verbal warning, written warning, suspension without pay, and discharge. The administration of discipline by the Executive Director toward an employee may embrace all or some of these disciplinary forms in a progressive manner or may include only any one of them without regard to progressivity, depending upon the gravity of the offense and the discretion of the Executive Director.

**Oral warning:** An oral warning is a form of discipline, which is generally appropriate to warn an employee of a minor instance of misconduct. An Oral Warning may include a written note to the employee's personnel file that such an Oral Warning was given.

**Written Warning:** Some instances of employee misconduct may not be so serious as to warrant Suspension Without Pay or Discharge, and may be corrected by a formal Written Warning. Employees shall have an opportunity to sign formal written warnings, acknowledging that such warning has been given, and to comment in writing on such warning or to any other discipline.

**Suspension Without Pay:** Suspension is a forced absence from work without pay. Suspension Without Pay of up to three days is likely to be imposed to correct an employee's second infraction (of the same or different type of misconduct) after an Oral Warning or a Written Warning has been given. However, like the other forms of discipline, the Suspension Without Pay can be imposed independently of other disciplinary forms or in a progressive manner.

**Discharge:** Discharge means termination of the employment of an employee. Discharge may be based upon a single violation or a series of violations, in the Executive Director's discretion, depending upon the circumstances. Discharge is likely to be used for infractions following the prior imposition of Suspension Without Pay. However, none of the other disciplinary forms must be used prior to an employee's Discharge.

**Rules, Regulations and Potential Discipline.** No guide will substitute for the Executive Director's judgment in the use of the forms of discipline discussed above. However, general guidelines on the likely use of discipline are offered to reduce the likelihood of surprise.

**Some Major Violations Resulting In Immediate Discharge:**

The following infractions include some, but not all, of the major violations which shall be grounds for immediate discharge of an employee, even for a first offense, depending upon the circumstances:

- A. Stealing from a resident, visitor, or other employee, or from the Authority.
- B. Possession, use, sale, purchase or being under the influence of alcohol, or of an illegal drug during working time or on Authority premises. "Illegal drug" means any drug (a) which is not legally obtainable or (b) which is legally obtainable but has not been legally obtained, including prescribed drugs not legally obtained and prescribed drugs not being used for prescribed purposes. A determination of whether an employee is "under the influence" can be established by a professional opinion, a scientifically valid test, and in some cases, by a layperson's opinion. In any event, an employee will be conclusively considered "under the influence" of illegal drug(s) if at the time they are tested the drug test reveals that the employee has illegal drugs in his/her system. An employee will be conclusively considered "under the influence" of alcohol if testing reveals a concentration of alcohol in the employee's bloodstream that exceeds the legal limit for operation of a motor vehicle under state law.
- C. Unauthorized possession or use of a weapon of any type during working hours or on Authority premises.
